

Taekwondo Humanitarian Foundation - How to Get Involved

How do I support THF?

The best way you can help right now is by spreading the word on THF's mission and its activities, signing our online petition and supporting us through social media, our website and newsletter. We also need funds and equipment to move forward on our projects and welcome cash as well as in-kind donations.

What is the online petition?

The online petition is a campaign THF runs to gather as many signatures as possible from individuals who believe in THF's mission and want to help THF to convince global decision makers of the importance of sport as an empowerment tool for refugees and displaced persons.

To sign our petition, go to www.thfaid.org/support-our-campaign/, enter your name and email and share it with your friends and family! For direct access to the petition page, you can scan the QR code found on the left.

Where to follow THF on Social Media?

We are active on Facebook and Instagram and would love to engage with you on these channels! Our favorite hashtags are #THFaid #withrefugee #taekwondo #sportforpeace

How do I sign up for the Newsletter?

Go to thfaid.org and scroll all the way down to find the signup form!

How do I donate to THF?

The easiest and quickest way is to donate online through our website. Alternatively, you may choose to do a bank transfer donation, or in the case you are coming to a World Taekwondo Federation competition, you will be able to donate directly on site. In any cases, you may indicate to which project your donation should be allocated.

How does the online donation work?

Just visit our website www.thfaid.org and click on +DONATE on the top right corner. You will be redirected to a page where you can select the amount of money you wish to donate. Once you click on the 'take action now' button, you will be taken to Paypal where you can either log in to your Paypal account, or directly pay per credit card.
